**INSTRUCTIONS FOR COMPLETING
SEMI-ANNUAL SEEDING REPORT**

Form #B-601

The listings below correspond with the numbered blanks on the form.

1. Name of responsible official
2. Name of company
3. Permanent Program Permit Number
4. Mine or Pit Name
5. Check applicable seeding period
6. Last two numbers of year when seeded
7. Location by section, township, range and county
8. Number of acres per post-mining land use. (Include acreage of non-seeded areas such as roads, ditches, water impoundments, etc.)
9. Indicate post-mining land use(s)
10. Species and seeding rates sown or planted
11. Soil amendments and rates applied; fertilizer, lime, etc.
12. Signature of responsible official
13. Title of responsible official
14. Date the report was signed for submittal

Form #B-601 must be accompanied by a map to include the following:

- A. The boundary of the area(s) as reported on Form #B-601
- B. The permit (bonded area) boundary
- C. Location of all reclaimed, non-seeded areas such as roads, ditches, water impoundments, etc.
- D. Location of all previously reported areas so that each new map will be a composite of all preceeding submittals
